QCWA Boulia Branch 100 years

What an exciting time to be a part of an organisation that has not only survived 100 years of helping hands, is still thriving today. Our past members have ensured that the QCWA is a fun and exciting organisation to be a part of. We currently have a very “lively” lot of women in our group, of all ages. There is always something to be done, and everyone gets to be involved.

I would like to thank the community and the Boulia Shire Council for your ongoing support. Without this support we could not hold the events and fundraisers to assist the many causes we support.

We welcome all new helping hands of any age.

If you would like to join please jump on our website and don't forget to choose our branch.

Many Thanks Kim McKelvie - (Branch President)

Elected Councillors took their declaration of office on 28th March 2024.

This marks the official start of their term as an elected representative of the Boulia Shire. Newly elected member Julie Woodhouse joins re-elected members Mayor Rick Britton, Councillor Sam Beauchamp, Councillor Jack Neilson and Councillor Jan Norton in completing the Council team.

Boulia Shire Council welcomes on board a new Director of Works – Henry Mascarenhas. Henry joins us from most recently a contract in Mount Isa but has spent significant time in local governments across QLD & NSW, New Zealand and hails originally from Kuwait. He is joined by his family; wife Rheanna and daughter Sapphire. Henry is looking forward to getting the maximum grant funding possible for Boulia and Rheanna is looking forward to seeing their daughter flourish amongst the children of our unique and beautiful community.

Henry will be joined next week by Andrew Spyrakis who will be taking on the role of Works Manager. Andrew most recently comes to us from Burketown and is looking forward to less 'island' time. Andrew has spent a significant time in the South Pacific although originally from Mount Cotton (South East QLD) when it was dirt roads and farms, is very happy to be back in Australia and is looking forward to making a home in Boulia.

SNAKES - STAY ALERT

It has come to Councils Attention that there are increasing numbers of sightings and incidences involving snakes in and around town.

If you are outdoors or working in your garden, please be mindful of your surroundings, especially when around overgrown grass or areas with large amounts of stick and leaves.

Overgrown properties are more likely to attract and/or shelter not only reptiles but other vermin, so if your yard is looking a little overgrown, please take the time to attend to it as soon as possible. Should you require assistance with this, Council is able to offer:

- The ability to hire a push lawn mower
- The ability to engage Council for fee to complete lawn mowing and whipper snipping services
- The ability to make an application for free Yard Maintenance Assistance (eligibility criteria apply)

Should you wish to utilise the above-mentioned services, or you would like to make an application for Yard Maintenance Assistance, or you need a snake removed (during opening hours), please contact the Council Administration Office on 4746 3188.
