Boulia Golf Club Hosted the Outback Masters 2024

On June 22nd and 23rd the Boulia Golf Club hosted the Outback Queensland Masters. The weekend was a great success with a few of our locals having some great wins. To top the weekend off Leaim Shaw won the Orange Jacket for the Boulia round. More photos further on in the newsletter

Council networking becomes more efficient

The Councillors and CEO of Boulia Shire Council in the Channel Country are at the forefront of Queensland local government in adopting electronic business cards.

Linking to Q code technology they can seamlessly transfer contact and other key information via a person's telephone and into their contacts folder.

This not only overcomes the challenges of printing and maintaining the accuracy of traditional business cards that can easily be mislaid, but also delivers a more environmentally friendly technology.

The Mayor, Councillor Rick Britton advises "this initiative illustrates the Council's efforts to deliver business improvements across its operations and better support relationships with its many stakeholders".

Proposed Design:

Working towards

A progressive shire creating opportunities for all

Improving **Water Quality**: Salt Water Chlorinator installed. Investigation work on discoloured water solutions underway.

Improving **resilience**: Installation of Flood Warning Infrastructure on Valley Creek and Marion Creek. Additional North Queensland Resilience Program funding \$4.5m (QRA) - potential projects - Hamilton Channels (TMR) - installation of 3 sections using culverts on Hamilton Channels improving flood immunity by 45%. Betterment works (\$2,971 m) on South Urundangi Road.

Improving **Infrastructure**: Works for Queensland Round 5: \$1.5 million in funding to be allocated to Boulia. Installation of NBN fibre to the premises infrastructure (\$4.3m project value) to support connectivity and business growth.

Mt Isa Road safety - TMR funding approved for:

- Increased roadside slashing activities
- Waverley Creek Give Way widening
- Section of the Mt Isa Rd - widening project (two sections)
- Mt Isa Rd culvert replacement program
- Further investigation by TMR into Mt Guide narrow roadway

Staff **Attraction and Retention** initiatives: New Enterprise Bargaining Agreement (EBA) - negotiations with Unions completed. Council staff will now receive a percentage increase to their wage each year instead of a flat rate increase. 1st year 4%, 2nd year 3%, 3rd Year 3%. There will also be an increase to allowances for camping staff.

Subsided staff housing to continue and a staff rebate on rates on be offered.

New increased levels of progression for all staff.

Pools and Spas - Fencing Requirements

Active supervision and learning to swim are key to ensuring the safety of young children around water, especially pools.

Abiding by Pool Safety laws is mandatory in Queensland and **if your pool or spa (including portable pool or spa) can hold at least 300mm of water, then the pool safety laws apply.**

In Queensland, this means all regulated swimming pools are required to meet the single swimming pool barrier standard. This standard, designed to increase pool safety and simplify pool safety laws, covers such things as the height and strength of barriers, mandatory non-climbable areas, gate-latching requirements and preventing direct access from a building into a pool area and applies to new and existing pools in houses, unit complexes, hotels, motels, backpacker accommodation, caravan parks and mobile van parks.

It is the responsibility of the pool owner to not only ensure their pool is compliant with the safety standard, but to ensure their pool is registered.

Penalties, including on the spot fines, are applicable for noncompliance and failing to register. If you are selling or leasing a property with a pool, you must ensure you have a valid pool safety certificate.

The **Queensland Building and Construction Commission website** (<https://www.qbcc.qld.gov.au/your-property/swimming-pools>) contains valuable information regarding pool safety including making sure your pool is compliant and how to register your pool or check if your pool is registered.

The Royal Life Saving Australia website (<https://www.royallifesaving.com.au>) has information available regarding water safety including a **Home Pool Safety Checklist**.

TIACS | THIS IS A CONVERSATION STARTER

Staff BBQ on 26th July 2024 – staff received their “This is a Conversation Starter” ‘Manic Monday’ shirt. As half of the staff have a fortnightly RDO it was decided that we would have a Monday shirt instead. The trade mutt story is simple, genuine & loud. It’s ok to not be ok and there are places to go when we are in that space. “YNWA” is branded on every shirt and it stands for “YOU’LL NEVER WALK ALONE.” It is a physical reminder that we are not alone, it is bright to spark joy and embroidered with Boulia Shire to remind us that we have belonging.

Each work shirt has a QR code on the inside to scan with links for support. Buying these shirts is supporting support services for the blue collar workers of Australia like our outdoor workforce and tradies.

So this is the photo of our Boulia Shire family that was in attendance on this day (a lot of people were attending medical appointments) rocking the new Monday shirt. This is a photo of an organisation standing together, united (even if for a photo), supporting one another and knowing how to help each other out.

Outback Queensland Masters

If sand green golfing isn't challenging enough, try it on the edge of the Simpson Desert in the Land of the Min Min Light, where birdies and bunkers are aplenty in Boulia. Outback Queensland Masters is Australia's most remote golf series.

They say in the Land of the Min Min Light 'stranger things can happen', and with a stroke of irony, while practicing 24 hours ahead of the official tee-off, OQM player, Peter Skeers hit a hole-in-one!

Local golfer, Leaim Shaw of the Boulia Golf Club took out the coveted orange jacket in the men's with a total 37 points. Travelling from the NSW Southern Riverina, Natasha Mason of the Jerilderie Golf Club with a total 38 points was awarded the women's orange jacket.

Over 980 golfing enthusiasts travelling from as far as Tasmania and Western Australia have joined the 1,600km outback golf journey.

"The event is presented by Golf Australia, and we would especially like to thank our strategic partners Tourism and Events Queensland and Birdie Spirit Partners PGA of Australia, Rex Airlines and BCL Production Services. "Support from local golf clubs and their members who so eagerly embraced the masters has been integral to this success. The Boulia Golf Club and their volunteers again supported the Outback Queensland Masters.

"We could not have held these events without assistance from local government, including the Boulia Shire Council, Diamantina Shire Council Winton Shire Council, Barcaldine Regional Council, Murweh Shire Council and Quilpie Shire Council. Thanks to our Mateship Partners Bushnell Golf, Drummond Golf, Callaway, IJS Productions and Your Mates Brewing Co."

Shitbox Rally

On Thursday the 20th of June the main street in Boulia came alive with lots of colour, noise and fun as the 2024 Shitbox Rally made its way through town heading to Tobermorey.

Here are a few words from the event organizer Katherine Ferris:

"Shitbox Rally is not a race, but a reward for fundraising efforts and a chance to explore Australia. The Rally draws teams from around the country to help achieve the extraordinary. Many have been affected by cancer in one way or another, whether it be family, friends, or themselves personally. The rally not only wants to raise awareness and money for Cancer Council but also offers support and a friendly ear to those that have suffered or are suffering.

Teams not only pull together to help each other through the challenges associated with driving a \$1,500 car on these remote outback tracks, but also help and support each other through openness, mateship and camaraderie from people who have gone through similar hardships with their own cancer stories. Often fundraising and rallying for family members or friends affected by Cancer, this common experience unites each rally team to become a part of the larger Box Rallies family."

We do have an overnight planned in Boulia in our Autumn rally next year in May, so we look forward to seeing you again then!

Katherine Ferris

Well that's it for the 2024 Boulia Camel Races and what a mammoth event it was. In the interests of keeping up with the times, we have been as accurately as possible capturing attendance numbers since 2015. 2024 saw our record broken with 3234 attendances captured through our ticketing system. What was even more exciting than breaking our own record (past whispers say we have had 8000, if we did – our toilets held up much better than with 3000!) was that in every part of this event, members of our community stepped up to the plate to deliver.

The Boulia State School P & C Association did a tremendous job with the bar, the smoothest operation to date I would even say. To see so much support for our local school was inspiring.

Tom Sloman managed the bar with such efficiency that we will be most grateful to have him back in 2025.

Our merchandise was designed by our local ladies and lads and the logistics of getting it here on time provided for an interesting week prior. One lot came with the band, one lot came with security and the other lot fluked it down on the mail (thank you Lynette!). Needless to say, every year there is another challenge to conquer and further room for growth.

Work Camp were amazing as usual. The experience they have in dealing with large events (outside of Boulia) is invaluable to us and they are teaching us what we need as they are delivering.

We would not be able to deliver this event without their support and are truly grateful for the support Boulia Shire Council gives us in coordinating their presence and availability of plant & resources.

Thank you to our sponsors, we are so grateful that you continue supporting our event. Costs continue rising as we all know and we continue trying to deliver a consistent, family-friendly event that is good value for money.

To the go-to men (Jake Britton, Adam Norton, Zack Britton (Happy 14th) & Boston Norton), you are worth your weight in gold. We have the greatest appreciation for everything you do to get the job done.

Our judges – they have been judging the races now for several years and as they are hidden away in their tower – tend to go unnoticed – thank you to Megan & Dwayne Girdler & Sam Beauchamp. Your consistency alleviates Muffy's stress levels annually.

Our track crew – Anthony Britton (starter), Riley Girdler (video starts), Ben Brown – sourcer of camels & caller of tagging, Justin Bell (Belly) – always willing to pick up the mic and help us out, to the local camel trainers that assist us, teach us and challenge us – you make us a greater event and a stronger organisation. Thank you to you all.

To the wives, husbands and children that support those that are giving their time. You are appreciated. And to the ladies that keep this event in their brains 365 days a year – thank you. Thank you for bothering, caring, giving and teaching. Shelley Lorensen – President, Rae (Muffy) Lincoln – Secretary, Jan Norton – Vice President & her inaugural year that she smashed it home – Natalee Norton – Treasurer. We could not pull it off if we did not work as a team and this year has shown us just how smooth it can be. Here is to a magical 2025. Let's get planning – always open to ideas/suggestions especially with merchandise! We meet monthly at the old butcher shop.
