

BOULIA SHIRE COUNCIL

Boulia Swimming Pool – Temporary Closure

Following the heavy rain fall over the last week it has been necessary to temporarily close the Boulia Swimming Pool.

The rain event led to a significant amount of sediment and plant material being deposited in the Swimming Pool. This material has the potential to adversely impact on the hygiene of users.

Council will be dosing the Pool over the closure period to ensure that community health standards are being met.

The Pool is scheduled to reopen from Wednesday 2nd April across the advertised operating hours.
